

SHIP ROCK TO PACIFIC

Government Pays Four Hundred Dollars Freight a Car-Load on Rowan Granite.

HUNTERS KILL A COW

Breaking in Electrical Apparatus Causes the Shutting Down of Railroad Shops.

(Special to The Times-Dispatch.)
SALISBURY, N. C., Nov. 7.—Four car-loads of granite are being shipped from the J. T. Wyatt quarry, in this county, to San Francisco for engine beds. This is perhaps the largest shipment of granite ever made from this State at such a great distance. It is for the United States government, experts having recently decided that the Rowan granite is superior to any yet found. Substantial evidence of this fact is that the sum of more than \$400 freight charges is being paid on each car of the precious stone.

EXPENSIVE SHOT.
A party of Salisbury gentlemen were out hunting yesterday, and in an attempt to shoot a rabbit, fired four loads of shot into a fine cow belonging to a well-to-do farmer. The cow was valued at \$60, and the mistake of shooting the cow for a rabbit cost each of the four Salisbury gentlemen \$15.

A breakage in the electrical department at the Spencer shops caused a shut-down last night, the night force being unable to work. A force of men were at once sent to work repairing the damage, and the shops resumed night work this evening. The working hours of all employees of the Southern at this place will be changed next week. The day force will be on duty at 7 A. M., taking thirty minutes for dinner, and completing their ten hours' work at 5:30 o'clock.

Proctor composed the firm of the Martinsville company, while the Davis Manufacturing Company was incorporated a few weeks ago by F. E. Proctor, A. T. Grant, Jr., and C. M. Gallaher.

GREENSBORO, N. C., Nov. 7.—At 1 o'clock today a jury in the Superior Court awarded Mack McGirt, colored, \$300 damages for injuries received at a street crossing by a Southern Railway train here two years ago. He was crossing the track in a wagon, and used for \$500 damages, at the same time the jury reported there was an accident at the same street crossing in which a horse was instantly killed, a buggy demolished, and Mrs. W. M. Parks, a prominent lady of Guilford College, was thrown to the ground, receiving a fracture of the skull and other injuries as the result of trying to cross the track in front of a fast moving train.

(Special to The Times-Dispatch.)

CHARLES CITY, C. H. VA., Nov. 7.—

The history of the late political imbroglio resulting election was as follows: At the Democratic primary, which was held on the 27th of August last, there were three candidates for commissioner of the revenue—Louis C. Christian, Geo. Marston and C. M. Southall. Christian was defeated by the Democratic committee to be the nominee, having defeated Southall by a small majority. There was some dissatisfaction expressed by the friends of Southall immediately after the primary, but this was soon forgotten, and it was understood that Christian was virtually elected until a day before the election.

Southall, however, was persuaded to be a candidate, under Republican influence and consequently the vote between Southall and Christian was split up. Whereas, Christian defeated Southall by a majority of one vote, Franklin, the negro Republican majority over Christian was four. Franklin received 124 votes, Christian 119, and Southall 118.

The work was done by the Charles Miller Walsh works of this city, and has been universally admired."

The exercises will consist of an address by Rev. J. S. Post, pastor of Tabernacle Presbyterian Church, in this city, and prayer by Rev. O. S. Bunting. Little Elizabeth Watkins Drewry, daughter of Dr. and Mrs. W. F. Drewry, of this city, will unveil the memorial tablet.
